TAKE A TRAIN TO THE FLAME

November 4th 2011

Biggest firework display ever staged at Great Central Railway
With a huge bonfire, children's rides, hot food & a real ale tent!

The award winning railway attraction is expecting thousands of people to descend on Quorn & Woodhouse station on November 4th to warm themselves by a huge bonfire and watch its biggest ever firework display.

“We are planning our biggest ever firework display this year and we hope it will be a magic family night out” said Kate Tilley Marketing Manager for the Great Central Railway. **“You can make a night of it, catching the train to Quorn and treat the family to a steam train journey before the show and beat the traffic or the queues at the entrance to Quorn station!”**

The railway will be running trains from Loughborough, Rothley and Leicester North stations to take passengers to the display saving time in the queue at the gate.

The gate at Quorn opens at 6.15pm. The bonfire will be lit at 7.30pm and the fireworks will start at 8pm. Hot food and refreshments are on sale including a real ale tent. A family of two adults and three children can arrive at Quorn gate and pay just £18 to get in. Adults pay £7 and children just £5. Payment at the gate is CASH ONLY.

However a train ride to the display from any station costs only £10 per adult and £8 per child making it a very good value night out. A family of two adults and up to
