FRIENDS OF THE GREAT CENTRAL MAIN LINE

REPORT OF THE COMMITTEE

This year has seen continuing development and progress for Friends of the Great Central Main Line. We are the railway's membership organisation and work in partnership with the railway's supporting charity The David Clarke Railway Trust and the PLC to help provide the continually and rapidly improving heritage experience that is the Great Central Railway.

During the last 12 months we have maintained the improvement in service to you, our members. The local group set up in the Northampton area continues to hold regular talks and presentations at the Weston Favell Parish Hall, Booth Lane South, Northampton, NN3 3EP (see Main Line for details of programme). We are also considering forming additional local area groups. The main focus for the groups will be to hold a programme of illustrated talks and meetings, but they will also act as a base for spreading the message about the vibrant GCR. If you are interested in helping to set up a local group in your area, particularly in the Derby district, please contact Steve Evans in the first instance by email at stephen_evans@talktalk.net (or write to Steve c/o FoGCML, Lovatt House, 3, Wharncliffe Road, Loughborough, Leicestershire, LE11 1SL).

We have maintained Membership at around 4,500 members. Given the ongoing financial constraints that we all face, this is a good achievement.

Please help us reach our new target of 5,000 members by recruiting a friend or one of the family. Consider giving an FoGCML membership as a birthday or Christmas present; for all those grandparents out there, getting the youngsters involved will be most welcome and potentially help to secure the future of the railway. An excellent way to support your club (and get to watch GCR gala events first hand and for free!) is to volunteer to help on the members recruitment stand. Full training can be given, and it really is a job where you can give as much or as little time as you wish.

We have increased the grants to GCR, and in addition to this we have also given considerable donations and support to The DCRT in their "Bridge to the Future" appeal to help the exciting project to connect the two halves of the Great Central Railway; we are now seeing solid progress in this project on site. Also, we have organised a raffle on behalf of The DCRT.

After many years of successfully producing Main Line Dennis Wilcock took a fully deserved retirement; the Committee wishes to express its' gratitude for the exceptional service given by Dennis during his multiple stints as Editor of Main Line. One of his final tasks was to successfully oversee the transition to a new Editor – welcome to George Green who as the new Editor of Main Line has already continued the delivery of very high quality editions of the magazine. This is backed up by the regular newsletter. The Main Line Xtra pages on the GCR/FoGCML website continue to give members of Friends a news and information service superior to that available to non-members and thus provide further benefits to membership.

The smart personalised fleeces with FoGCML badges and "Great Central Railway" embroidered on them are now to be seen frequently around the railway and are still available, together with many other identifiable items of clothing – contact Barry Lycett at blycett.gcr@gmail.com for further details.

The financial results for the period under review are set out in the attached financial statements. There was a significant improvement in income which not only covered the costs but allowed a substantial increase in the grant to the Great Central Railway. Principal expenditure was on production and distribution costs of Main Line magazine.

Although it is recognised that we are in an uncertain economic climate given Brexit, the Committee anticipates that we will achieve an excess of income over expenditure in the current financial year.

FRIENDS OF THE GREAT CENTRAL MAIN LINE

REPORT OF THE COMMITTEE (continued)

The future aspirations for FoGCML are to continue to grow the membership and to add value for existing members, whilst maximising our support for the railway.

Our – Your – membership organisation underpins the railway, with volunteers, a continuing source of regular visitors and donations to The David Clarke Railway Trust. Members of FoGCML are therefore central to the railway's future success and can take great pride in the achievements of the last 12 months.

An excellent example of what can be achieved by this alliance is the support for the fundraising appeal for the Bridge to the Future project (organised by The David Clarke Railway Trust) including promotion in Main Line, at shows and events, and the raffle.

It is a worthwhile club to be part of, and we can continue to make a difference:-

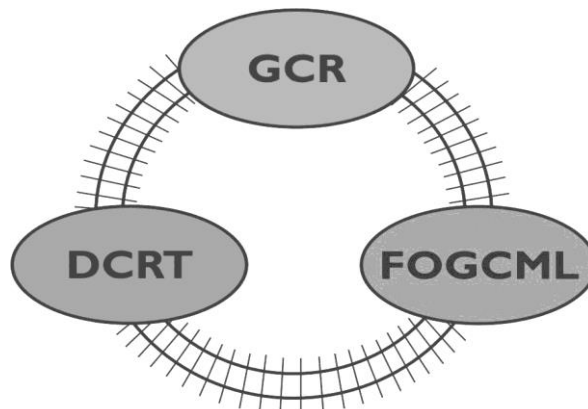

VISIT THE RAILWAY; JOIN IN THE FUN AS A VOLUNTEER; DONATE TO THE DCRT

PLEASE help by encouraging others to join, thereby supporting the only heritage main line railway in the UK. There is huge potential in the GCR, DCRT and FoGCML partnership – share in it.

The Report was approved by the Committee on 3 June 2017.

On behalf of the Committee
