At The Great Central Railway, Quorn & Woodhouse  
Station, Leicestershire LE12 8AG

The MKIV Zephyr & Zodiac Owners Club Summer Rally will once again be held at the Great Central Railway (GCR) at their Quorn & Woodhouse Station. This will be a great opportunity to see some of these big old Fords (built 1966-1972) and the last models to use the Zephyr/Zodiac name. Free entry to the Goods Yard to view the cars. We hope to be displaying the unique camper version. Our members will be on site the whole weekend so please come and see us for a chat.

Show area is in the goods yard at Quorn & Woodhouse station. There are cafes, toilets and a real ale shed all on site. There are B&Bs, Hotels and pubs with accommodation options. Loughborough is only about 4 miles away and has a Travelodge and Premier Inn.
